(continued from preceding page)

DENTAL HYGIENE: Profession

Attrition from dental hygiene: Fact or Fiction? Sodano VL, Javian S: 54:12, 1980.
The dental hgyiene predicament. Walsh M, Oppedahl MC: 54:8, 1980.
The dental hygienist's perception of satisfaction in the private dental office. Lawson ES, Martinoff JT: 54:2, 1980.
Enthusiasm fans the flame. Anderson G: 54:1, 1980.
Job satisfaction in dental hygiene. Pitchford M: 54:12, 1980.
Notes on a burned out hygienist. Levin A: 54:1, 1980.
Preventive dentistry: Where are we and where are we going? Miller CM: 54:9, 1980.
Resume writing, interviewing and job termination. Sharp JC: 54:3, 1980.
Role expectations of dental hygienists. Logan H, Hayden H, Jakobsen J: 54:7, 1980.

EDUCATION

Career preparation role of baccalaureate dental hygiene programs. Metzger CT, Forrest JL: 54:1, 1980.
A clinical field experience for senior dental hygiene students. CodyJP: 54:3, 1980.
CPR for oral health professionals: a dental team training course. Brand MK: 54:10, 1980.
Descriptive differences between baccalaureate and associate degree dental hygiene students. Martinez NP, Ivanoff JM, Pushkash MA, Ginsburg TD: 54:7, 1980.

EXPANDED FUNCTIONS

Expanded functions: Future roles for dental hygienists. Deuben CJ, Sumner WL, Johns RM: 54:1, 1980.

FLUORIDE

Enamel solubility reduction by stannous fluoride dentifrices. Hawley RJ, Shannon IL: 54:5, 1980.

GERONTOLOGY

Malnutrition in the aged. Schaffer S: 54:5, 1980.

HEALTH CARE DELIVERY

Communicating with and treating the blind child. Morsey SL: 54:6, 1980.
Dental care for the stroke patient. Kleiman CS, Zafran JN, Zayan GM: 54:5, 1980.
Harborview. Been V: 54:10, 1980.
Oral health of hsopitalized patients: II A clinical study. Zimmer SE, Maibusch R, Benson CM: 54:9, 1980.
The role of the dental hgyienist in the dental care of the cerebral palsy patient. Hengen M: 54:10, 1980.
Toothbrush modifications for the handicapped. Price VE: 54:10, 1980.

LEGISLATION

Deregulation or delicensure: What's in the future for dental hygiene? Fitch M: 54:12, 1980.
Illegal services by dental hygienists: Do you have a choice? Waldman HB, Marinelli RD: 54:12, 1980.
Legal aspects of dental hygiene practice. Granger B: 54:7, 1980.

NATIONAL CHILDREN'S DENTAL HEALTH MONTH

Developing a tooth fair in your community. Stevens MM, Eck C: 54:10, 1980.

NUTRITION

Dental caries and sugar substitutes. Ayres C: 54:4, 1980.
A dental hygienist's approach to pregnancy and nutrition. Karolus JA: 54:6, 1980.

OCCUPATIONAL HEALTH HAZARDS

Mercury vapor exposure in the dental office. Lowe JM: 54:3, 1980.
Nitrous-oxide–Hazard in the dental operatory. Masouredis C, Walsh MM: 54:11, 1980.
Survey of occupational health hazards in dental hygiene. Gravcis SL, Stringer RB: 54:11, 1980.
Transcendental meditation and dental hygiene. Stevens MM: 54:4, 1980.

ORAL HYGIENE

Tissue response to initial performance of flossing and sulcular toothbrushing. Boyer EM, Field HM: 54:8, 1980.

PATHOLOGY

Etiology of periodontal disease: A review and its implications for treatment. Kraemer LG, Wighton R: 54:2, 1980.
Literature review, new theories: Etiology, diagnosis, treatment. Schifter CC: 54:6 1980.
Periodontal disease: Recognition and examination. Smith MP: 54:5, 1980.
Problems in epidemiological research of periodontal disease. Odrich J: 54:5, 1980.
The role of the impaired host defense mechanism in the pathogenesis of juvenile periodontitis. Rowat JS, Rowe D: 54: 11, 1980.
Treatment planning for the periodontal patient. Miller PL: 54:7, 1980.

PATIENT EDUCATION

Compliance with oral hygiene instruction and hygienists' empathy. Strack BB, McCullough M, Conine TA: 54:4, 1980.
Comprehenisveness: The key to an effective school dental health program. Quam HM: 54:2, 1980.
Education and income determinants of dental health behaviors in a midwestern community. Spence CJ: 54:9, 1980.
Improving community oral health through continuing education. Schwieckle ES, Neiman JA: 54:9, 1980.
The night before eruption. Johnson K, Dubin S: 54:3, 1980.
A public school preventive health program. Gill S, Jorstad ME: 54:6, 1980.

PEDODONTICS

Child neglect identification: The hygienist and child advocacy. Bowen PL: 54:2, 1980.

TECHNIQUES

Instrumentation. Young NS: 54:4, 1980.
Periodontal splints: Rationale and procedures. 54:9, 1980.
Rubber cup prophylaxis: A reevaluation of its use in pediatric dental patients. Primosch RE: 54:11, 1980.
Treating the head and neck cancer patient. Greene SL: 54:1, 1980.
